Helping Our Neighbors in Need

We so grateful for your generosity in helping our parish live out Christ's call to serve the poor! We are always happy to accept donations of the non-perishable food items we use in the snack bags for our neighbors in need: 16 ounce water bottles, snack size apple sauce or fruit cups, snack size cans of Vienna Sausages or Beanie Weenies, granola or protein bars and snack packages of peanut butter or cheese crackers. These can be brought to the Office anytime. **In addition, monetary contributions are always welcome, allowing us to purchase bus passes and offer other appropriate assistance to those who come to us for help Please use the Poor Pipe (in front of the confessional) at the back of the Church or bring your donation to the Office.** Once again, thank you so much for all you do to help our parish care for the poor!

BLESSING FOR MISCARRIAGE

If you have suffered the loss of a baby through miscarriage, know that the Church has a beautiful blessing that can help bring healing and peace. Fr. Jerabek will say the prayers in a private chapel ceremony for you and those you wish to have present (it takes about 10 minutes). Please contact Father to schedule.

PARISH REGISTRATION

Please remember, children are considered members with their parents until they turn 18 years old. Once they are 18, it is their responsibility to attend church and to register as a member independent of their parents. What a great way to honor their 18th birthday! This is very important when they want to schedule a wedding where registration is required for the bride or groom (and not the parents!)

Embodying Faith Birmingham Museum of Art Docent Led Tour Saturday, March 23, 10:00

In the Christian faith, the birth of Jesus Christ signals the moment when God came to earth in a recognizable human form - a baby. But what did that human form look like once it grew up? Did you know there is no physical description of Jesus in the Bible? Since the early stages of Christianity, artists that were tasked with depicting Jesus had to tackle how to represent a figure that is believed to be both fully human and also fully divine. This tour explores the ways that artists from various times, regions, and cultures merged creativity and faith to construct a recognizable image of a figure that has no physical description. Come see artworks from Europe, Africa, Asia, and more to discover the evolution of images of Jesus from child to icon! Space is limited to 15, so please reserve your space early. If interested contact Pat Ryan, pryan0609@charter.net or call 951-0571.

Join us for a fabulous Night on the Town Supporting St Francis Xavier School!
