ACCESS YOUR MEMBER RECORD & GIVING STATEMENT!

Good news! We now have a way that registered Cathedral members can access their membership record (including making address changes or other corrections) and also download not only this year's giving statements but those from prior years as well. Setup requires a few easy steps:

Go to <http://birmingham.parishsoftfamilysuite.com>

1. Click "New User?"
2. Choose the Cathedral from the drop-down box and otherwise fill in the blanks and submit
3. Once we approve your registration by matching it up with your record, you'll receive an email with a temporary password. Log in with that temporary password and select your permanent password; keep this info in a safe place. Once you have your account set up, if you ever need your password reset, just contact us and we can do so. Otherwise, any changes you make (e.g. address changes) will be sent to us for review and approval! Also, while giving statements will be mailed soon, some of you are doing your taxes already and may want them sooner. The one that you can download and print is the same as the one we will mail!

PARISH REGISTRATION

Please remember, children are considered members with their parents until they turn 18 years old. Once they are 18, it is their responsibility to attend church and to register as a member independent of their parents. What a great way to honor their 18th birthday! This is very important when they want to schedule a wedding where registration is required for the bride or groom (and not the parents!). Use the form below or contact the office for more information on registering with the Cathedral!
