PARISH REGISTRATION

Please remember, children are considered members with their parents until they turn 18 years old. Once they are 18, it is their responsibility to attend church and to register as a member independent of their parents. What a great way to honor their 18th birthday! This is very important when they want to schedule a wedding where registration is required for the bride or groom (and not the parents!). Use the form below or contact the office for more information on registering with the Cathedral!
